

I heard you say that you don't understand why a city would spend more than \$30,000 a year on a Defendant's participation in the program instead of jail.....

I heard you say that you think most crime survivors oppose RJ....

I heard you say that we don't have time to invest in qualitative data and long-term answers because violent crime is happening now

I heard you say that it's not fair for us not to punish people who have trafficked someone as they made the choice to do this.....

I heard you say that RJ too easy for someone who has caused harm and won't make people safe in the future.....

I heard you say that RJ is a system that defense attorneys and defendants support because it lets their clients off....

I heard you say that RJ is just a form of mediation, and you cannot have accountability through mediation.....

I heard you say that RJ lets a trafficker not go to prison.....

I heard you say that trafficking is such a horrible crime how can you just let people off.....

I heard you say that RJ does not hold people accountable and devalues victims' pain and loss....

I heard you say that crime is increasing everyday and we can't let criminals stay on the streets....

I heard you say that traffickers target young children so how can you let them off....

I heard you say that you don't think a trafficker can be part of an RJ program....

I heard you say there is no model for RJ and human trafficking so how will it work....
