CEB RESEARCH
SUPPORTED TERMS & CONNECTORS

Grammatical Connectors	Explanation/Examples
/p	The search terms must appear in the same paragraph (**hearsay /p utterance**)
+p	The first search term must precede the second term in the same paragraph (**joinder +p impracticable**)
/s	The search terms must appear in the same sentence (**personal /s injury**)
+s	The first search term must prcede the second search term in the same sentence (**punitive +s damages**)
/n	The search terms must appear within n terms of each other, where *n* is a number from 1 to 255 (**remedies /3 damages**)
+n	The first search term must precede the second term by *n* terms, where *n* is a number from 1 to 255 (**res +2 judicata**)
!	Words with multiple endings, such as **object!** (E.g., object, objects, objected, objection, objecting)
""	Exact phrases. such as **"summary judgment"** or **"bona ide occupational quali ication"**. Search terms appear in the same order as they do inside the quotation marks.
AND	Can use AND or & to retrieve documents containing two or more search terms anywhere in the document. For example, the query **cash & bail** will retrieve documents that contain both terms, no matter where the terms are located in the document.
OR	Use OR, or a space between words, to search for alternative terms. For example, the query **attorney lawyer counsel** retrieves any document containing at least one of those three terms.
BUT NOT	Use BUT NOT or % to exclude documents that contain certain terms. For example, **"good faith" % "fair dealing"** will return documents that contain the phrase "good faith" but do NOT contain the phrase "fair dealing".
