Acknowledgements

The VALOR Guide was originally conceived by Adam Siegler, a Veteran of the Iraq war, as a means to develop a comprehensive database of legal service providers, improve access by Veterans and coordination among providers, and systematize the delivery of legal services to all Veterans. The name “VALOR Guide” was developed by Jack McBride.

In 2010, the Founding Editorial Board created the Los Angeles edition of the VALOR Guide. In 2012, the Editorial Board expanded the VALOR Guide into a series of six volumes, to include all of California.

The VALOR Guide project is unique, in that the law students on the Editorial Board have direct responsibility for the development of the project and the production of the VALOR Guides. These law students deserve special thanks and recognition for their efforts to help Veterans.

The VALOR Guide reflects the joint efforts of the law firm of Greenberg Traurig and Loyola Law School, along with the generous support and effort of many other firms, agencies and individuals. All of the legal service providers who are listed in the Guide deserve thanks and acknowledgment for the work that they do and for their support for this project. While space does not permit every supporter to be listed here, we wish to acknowledge and thank the following people and organizations for their support for Veterans and for the VALOR Guide:

Introduction

The VALOR Guide gathers together in a single reference all known providers of free legal services for Veterans in San Bernardino and Riverside Counties, in order to provide Veterans with the legal services which they need and have earned through their military service to this country.

There are numerous organizations which provide medical and social services for Veterans, and there are other guides for these organizations and services, but there is no comprehensive system to provide free legal services to Veterans. The VALOR Guide addresses that need by bringing together a network of law firms, clinics and other providers who are dedicated to providing free legal services for Veterans. Not every legal clinic or military legal assistance office can handle every type of legal problem, but by working together, they can provide the right service in the right location.

Getting Into the VALOR Guide

If you would like to include your organization in the VALOR Guide or would like to submit a comment, please send an email to sieglera@gtlaw.com.

How to Use This Guide

The VALOR Guide is designed to make finding the right legal provider quick and easy. Legal providers are listed in the Guide by practice area, by location, and alphabetically.

- If you know the particular type of legal advice you require, you can use the “Index of Legal Providers by Practice Area” to find a legal provider with expertise in handling your particular problem.
- If you would prefer to find all the legal providers in a particular location, you can use the Guide’s “Index of Legal Providers by Location”, which arranges legal providers conveniently according to their location within San Bernardino and Riverside Counties.
- If you know the name of the provider and want more information about that provider, the Guide’s “Alphabetical Index of Legal Providers” contains an alphabetical list of legal service providers within San Bernardino and Riverside Counties, including important details regarding their hours of operation, types of services provided, and any applicable restrictions or limitations on those services.

Once you have found a legal services provider, either by practice area or by location, you should always refer to the alphabetical index, because many of the providers listed in this Guide have limited hours of operation or other significant limitations on the services they offer.

There are a number of free or low cost services available to Veterans within San Bernardino and Riverside Counties. The VALOR Guide focuses specifically on legal services.

For information regarding non-legal services, Veterans should consult other reference materials, including **CalVet’s Veteran Resource Guide** and the **Prisoner Reentry Guide** (for Veteran specific benefits) or the **Rainbow Resource Directory** (for a broad listing of social services).

Index of Legal Providers by Practice Area

The VALOR Guide's "Index of Legal Providers by Practice Area" divides the legal problems commonly confronted by Veterans into specific legal practice areas. Occasionally a legal problem will be covered under more than one practice area. If you are uncertain about the type of legal help you require, you should look at the issues typically covered by each legal practice area of this Index that are listed below.

Appendix B: Expungements Worksheet

EXPUNGING

YOUR CRIMINAL RECORD

Presented by
DPSS South County GAIN Region V

William Marks (310) 603-3212

WHAT IS AN EXPUNGEMENT IN CALIFORNIA?

- One method for cleaning up your criminal record is by obtaining an expungement. Through the expungement process a criminal case is reopened and a conviction from a “guilty plea”, a “no contest plea” or a finding of guilt by a judge or jury is SET ASIDE and the case is DISMISSED.
- While you are no longer a convicted person, the expungement does NOT seal or destroy your criminal record in the state of California.
- The arrest, prosecution and conviction record STILL EXIST. However, it becomes noted in the court files, California Department of Justice and FBI files that a plea of not guilty was entered and the case was dismissed.

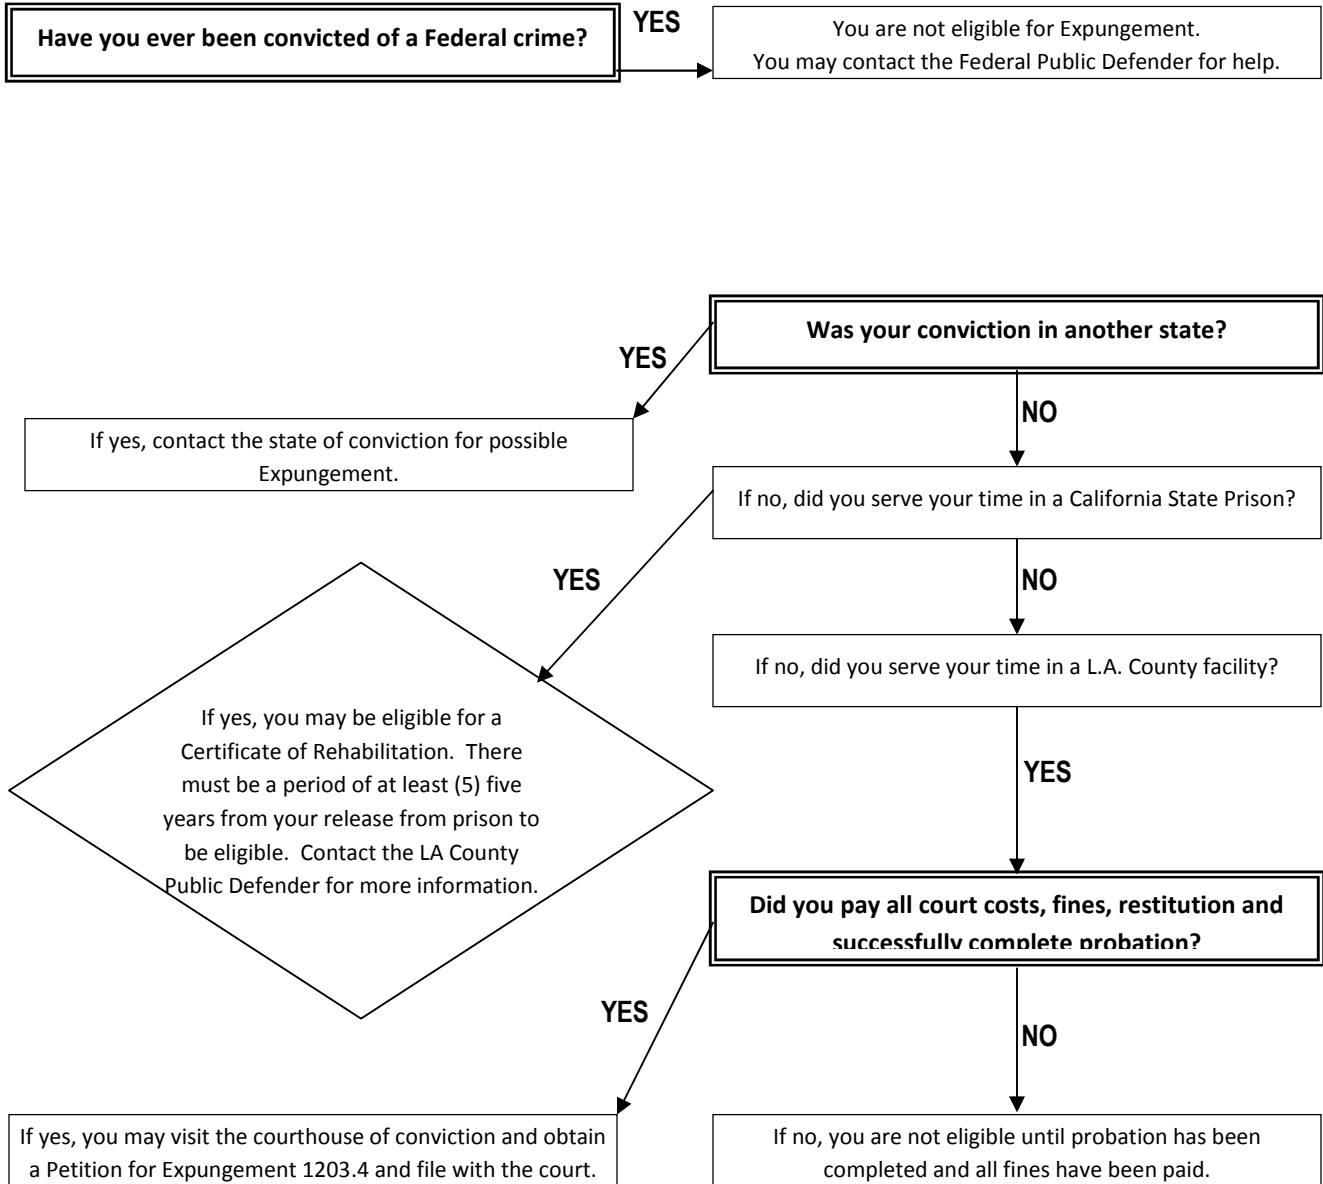

WHY ARE EXPUNGEMENTS IMPORTANT?

- A criminal record has a number of drawbacks. It can prevent you from getting certain kinds of employment, obtaining credit, renting an apartment, obtaining certain licenses, running for political office and other benefits in society. Expunging your criminal record dismisses and sets aside your felony and/or misdemeanor conviction from the public record and prevents employers from using this information to make decisions affecting your employment.

For more information, including step-by-step instructions for How to Clean up your Conviction and other helpful links, visit:

<http://www.saclaw.org/pages/expunging-criminal-records.aspx>

Are You Eligible for Expungement?

GAIN and GROW participants:

The services we provide include, assistance in obtaining criminal records, completing of forms necessary to expunge convictions that are barriers to self-sufficiency. We also assist participants in applying for Homeless Court, a program designed to offer the opportunity of removing minor traffic violations

For more information contact Luis Reyes at (310) 603-3443

WHAT DOES THIS MEAN IN REGARD TO POLICE AND GOVERNMENT AGENCIES?

- Expungement may help you get a State License (example: to work in a daycare or healthcare setting), but it is **NO GUARANTEE!** You should be sure to check with the licensing agency to see if your criminal background, even if it is expunged, will keep you from getting licensed.
- Expunged convictions can still be used as priors and strikes.
- Expunged convictions can still restrict your ability to possess a firearm.
- Expunged convictions are still subject to see offenders registration requirements.

WHAT ARE THE REQUIREMENTS FOR "EXPUNGEMENT"?

- You must not be served a sentence for anything.
- You must not be on probation.
- You must not be on parole.
- You must have paid all court fees, restitution and fines, and completed all public service ordered by the court.

WHAT TYPES OF CONVICTIONS CAN BE EXPUNGED?

DIVERSION PROGRAMS

- These convictions are cleared automatically upon completion of the diversion program.
- Your "Rap Sheet" will show that you were detained rather than convicted.
- These do not have to be expunged.

MISDEMEANORS WITH PROBATION

- Misdemeanor convictions can be expunged by submitting a "petition and order under P.O 1203.4 or P.O 1203.4a". This is a form that asks the court to dismiss your conviction.

FELONIES — PRISON

- If you have served prison time for your felony conviction, that conviction can not be expunged.
- You may, however, apply for a Certificate of Rehabilitation (This is the first step in an application for a pardon from the Governor).
- To apply for a Certificate of Rehabilitation, contact the Public Defender's office.

WHAT INFORMATION DO I NEED TO HAVE IN ORDER TO COMPLETE THE APPLICATION FOR EXPUNGEMENT?

- The name of the Court where you were convicted.
- The name under which you were convicted.
- Your case number.
- The code and section number that you violated (Example: Penal Code 647(b)).
- The date of your conviction.
- Whether you got probation.
- If you were given probation, whether you picked up any other offense during the period of probation, regardless of whether you were formally violated.

WHERE CAN I GET THIS INFORMATION?

2. There is no charge for filing.
3. The Public Defender office of Criminal Justice.
 - The Public Defender has been mandated to assist you with the process. You must contact John Garbin (Public Defender) at (213) 974-3057. He will instruct you on what to do. Follow his instructions.

If you are currently on parole, ask you case manager or Job Development for referral to the Work Place. They specialize in assistance to individuals currently on parole. They may be able to help you find employment.

What does it mean to have a Certificate of Rehabilitation?

It means that the court has determined that you are rehabilitated. This may or may not help you be accepted for a job. It is up to the employer.

EFFECT OF A CERTIFICATE

A Certificate of Rehabilitation is a court order declaring an individual "rehabilitated", however, a certificate does not completely protect you from being denied a job or license because of your criminal record. A Certificate of Rehabilitation does not erase the record of your conviction. You still must list your convictions on job applications, if asked. Employers will still see your convictions if he or she asks for your "Rap Sheet" when you apply for a job. Although, an employer must take your certificate into account in deciding whether to hire you, an employer or licensing agency is still allowed to refuse to hire or license you. For the positions discussed above, a certificate will remove the statutory bars to most of the jobs.

However, both a certificate and pardon are required for both temporary and permanent teaching credentials. Neither a certificate nor a pardon will remove statutory bars to law enforcement jobs, notary public positions, and public offices.

You may apply for a Certificate Rehabilitation if you fall into one of the following two categories:

1. You have been convicted of a felony.
2. You were convicted of a misdemeanor sex offense under section 290 of the California Penal Code.

In addition, you must satisfy three other criteria:

1. You were convicted and/or incarcerated in California;
2. Your conviction has been expunged; and
3. You have lived in California for five years.
